2024 TOURNAMENT INDOOR ASSOCIATION ATLANTIC COAST CHAMPIONSHIPS “WEEKEND IN WILDWOOD”

With the warmest of welcomes, it gives me great pleasure to welcome you all to Wildwood and the Atlantic Coast Championship! This season featured so many different opportunities to enjoy the activity in which we all find so much enjoyment, and further, a common bond.

We are certain you will be impressed with the fine performances put together by our units over the course of this season. Many, many hours have been put in by all involved in making this season truly special.

The road for our units to Wildwood undoubtedly has looked different, with different twists and turns along the way. Appreciation, good sportsmanship, and support for ALL of the units and performers throughout weekend is expected. Your support is truly the invaluable currency that our performers have worked tirelessly to procure. Be freely giving before, during, and after the show while modeling great conduct throughout the weekend.

Welcome back to all of our performers! I wish unending success and fantastic memories to be made. These moments will stay with each of you for a lifetime.

Let's celebrate this weekend. Celebrate the journey. Celebrate the destination. Celebrate the future. One thing I know for sure, TIA, one of the largest and oldest indoor organizations in the country is better with each of you in it and with your partnerships. This weekend, I look forward to celebrating with each of you.

3rd Marine
Aircraft Wing Band

Band History

The 3rd Marine Aircraft Wing Band was established for service during WWII. Soon after WWII ended, the band was deactivated and its members were sent to serve in Marine units in China and at Marine Corps Air Station Ewa, Hawaii. In 1952 the Third Marine Aircraft Wing Band was officially reactivated at Marine Corps Air Station Miami, Florida in support of the Korean conflict.

In 1957, while the 3rd Marine Aircraft Wing relocated to Marine Corps Air Station El Toro in California, the band remained in Miami and was assigned to Marine Air Group (MAG) 31. Later, the musicians attached to MAG-31 were integrated into the Air Fleet Pacific Band in El Toro, California. It was at this time the band received the title of 3rd Marine Aircraft Wing Band.

The 3rd Marine Aircraft Wing remained at El Toro until 1997, when Naval Air Station Miramar was converted to Marine Corps Air Station Miramar, California. From 1997 through 1999, all units relocated from Marine Corps Air Station El Toro to Marine Corps Air Station Miramar as part of the base realignment process. The band reported to its current location at MCAS Miramar in January 1999.

The 3rd Marine Aircraft Wing Band has deployed numerous times throughout its history. In addition to the initial deployment to China in WWII, the band's combat history includes a seven month deployment with the 3rd Marine Aircraft Wing in support of Operations Desert Shield and Desert Storm from October 1990 to April 1991. During that deployment, the band served as a perimeter security machine gun platoon and served in the Kingdom of Bahrain, the Empire of Kuwait, and the Kingdom of Saudi Arabia. The band returned to that same region in February of 1999 and 2000, to perform musical goodwill tours. During each of those tours, the band performed over forty concerts in the countries of Kuwait, United Arab Emirates, Oman, and the Bahrain for thousands of people including United States Dignitaries and Arabic royalty. In February 2003, the band returned to Kuwait in support of Operation Enduring Freedom and Operation Iraqi Freedom for a four month deployment as a perimeter security platoon at Ahmed Al Jaber Air Base. Among the few musical duties that the band was able to perform during the deployment was a concert at a palace of former Iraqi President Saddam Hussein in Babylon, Iraq, marking the first American military band to perform in Iraq. Beginning in August 2004, the band assumed perimeter security for the 3rd Marine Aircraft Wing Tactical Air Command Center (TACC) Compound at Al Asad in the Al Anbar province in Iraq. The musical highlight of the deployment was the First Marine Expeditionary Force Change of Command ceremony at Camp Fallujah I September 2004. The band returned to the United States on March 7, 2005. The 3rd Marine Aircraft Wing brought the band back to Al Asad in support of Operation Iraqi Freedom in 2005-2007 to perform perimeter security for the TACC Compound once again. The most recent deployment has been with the addition of troops to Afghanistan. The 3rd Marine Aircraft Wing Band has once again answered the call and sent a portion of its members to Camp Leatherneck, Helmond Province, Afghanistan in support of Operation Enduring Freedom to perform security for Tactical A.R. Command Center Security.

SCHOLARSHIPS

Education is an important part of the National Judges Association, Tournament of Bands, and Tournament Indoor Association. A high value is placed on providing educational opportunities and resources to our judges, our directors and instructors, and our bands and units. However, providing resources and opportunities to our student performers is one of the most important aims of our organization.

Each season, NJA awards scholarship monies to deserving senior members of our organizations. During the 2024 TIA season, NJA will award 16 scholarships totaling \$40,000 to senior members of our units. 131 students submitted scholarship essays earlier this year.

Requirements to receive the scholarship monies, which are sent directly to an institution's Financial Aid Office, include completing the application and being awarded a scholarship. Upon acceptance to the school of their choice, awardees send a copy of their acceptance letter, student ID number, and appropriate mailing address for the Financial Aid Office.

Along with the NJA Scholarships, Regions also sponsor their own scholarship awards. Each senior has multiple opportunities to apply for NJA/TOB/TIA Scholarships. Over the past decades, NJA has awarded well over \$825,000 in scholarships, and helped hundreds of deserving students.
