

The background of the entire image is a dark navy blue, densely populated with a repeating pattern of the TIA logo. Each logo is rendered in a different color, including red, green, yellow, blue, and white. The logos are slightly offset from each other, creating a textured, mosaic-like effect.

TOURNAMENT INDOOR ASSOCIATION & NATIONAL JUDGES ASSOCIATION

Proudly Present:

THE 53rd TIA ATLANTIC COAST CHAMPIONSHIPS WILDWOOD NEW JERSEY

MAY 1,2,3,4, 2025

2025 TOURNAMENT INDOOR ASSOCIATION ATLANTIC COAST CHAMPIONSHIPS “WEEKEND IN WILDWOOD”

With the warmest of welcomes, it gives me great pleasure to welcome you all to Wildwood and the Atlantic Coast Championship! This season featured so many different opportunities to enjoy the activity in which we all find so much enjoyment, and further, a common bond.

I am thankful for our judges and band directors. Their tireless commitment to education and bettering the competitive arena for these young performers does not go unnoticed. Trust me when I say that the amount of hours we see being put in is only the “tip of the iceberg” to the amount of work and dedication that goes into their craft.

Finally, I would like to express an appreciation toward each and every one of you. Every car ride, word of encouragement, and hour logged in the concession stand has been instrumental in your young person’s success. They could not do what they have accomplished without you, and we collectively appreciate your support so very much.

So, as we close this season, be grateful. Let people know how much you appreciate them and their efforts. It certainly “takes a village” and I am so very grateful to have you as part of our village this season.

A handwritten signature in blue ink that reads "Justin M. Smith". The signature is written in a cursive, flowing style.

SCHOLARSHIPS

Education is an important part of the National Judges Association, Tournament of Bands, and Tournament Indoor Association. A high value is placed on providing educational opportunities and resources to our judges, our directors and instructors, and our bands and units. However, providing resources and opportunities to our student performers is one of the most important aims of our organization.

Each season, NJA awards scholarship monies to deserving senior members of our organizations. During the 2025 TIA season, NJA will award 20 scholarships totaling \$50,000 to senior members of our units. 149 students submitted scholarship essays earlier this year.

Requirements to receive the scholarship monies, which are sent directly to an institution's Financial Aid Office, include completing the application and being awarded a scholarship. Upon acceptance to the school of their choice, awardees send a copy of their acceptance letter, student ID number, and appropriate mailing address for the Financial Aid Office.

Along with the NJA Scholarships, Regions also sponsor their own scholarship awards. Each senior has multiple opportunities to apply for NJA/TOB/TIA Scholarships. At the conclusion of 2025, NJA will award over \$1,000,000 in scholarships, and helped hundreds of deserving students.
