

2026 Percussion Showcase

We have 50 performances scheduled to take place this year. The event will run from 5:00pm – 9:00pm. I have made sure that no performances conflict with their unit's Dance/Twirl prelims times. If you have anything you want to read as an announcement please have it written down legibly to hand to the announcer before you perform.

Be ready to perform at least 20 minutes prior to your assigned time slot. For any mallet instruments, Caesar Rodney will have their keyboards (2 marimbas/2 vibes) available for you to use if you do not want to bring yours. This will help with not having to lift them up and down onto the stage. Please bring the proper mallets for each keyboard as we do not want to damage their equipment. (This will be monitored by NJA staff) If you wish to use your own equipment please make sure to have enough help to lift it up onto the stage.

Steve Weiss Music, our sponsor, and TIA will be on hand to do some digital marketing. If you have any student that wishes not to have themselves possibly included, please inform me ahead of time.

Stay around for the whole event. After the last student performer, we will be having a raffle for some great prizes that you don't want to miss out on.

If you have any students that do not plan to participate in this event anymore, please let me know ASAP as there is a wait list.

If you have any questions please feel free to contact me.
